

Irish Road Bowling!

Tuesday, June 11th 9:30am

Free for members— must be signed up to participate!

Meet at the Senior Center at 9:30 a.m. to receive a map to the country lane where we will be playing. (Location will be within 10 miles of the Senior Center.) After we finish playing, bring money for lunch at the Strap Tank if you wish.

The rules to this 400 year old game are simple— teams take the fewest throws possible to propel a cannonball down country lanes to a predetermined finish line. In true Irish fashion, participants meet at a pub at the end of the game.
