

# *Friday the 13th* *Radio Show*

Friday, September 13th 7:00 p.m.

65 East 200 South, Springville

Cast your superstitions aside and come to this very special program by the Wayback Radio Theater Company— the group that acts out plays in the form of an old radio broadcast! (We will have some salt you can throw over your left shoulder for good luck.) No black cats allowed, but everyone else is welcome.

Free and open to the public!
